

DISC 2010 GRANT APPLICATION

For the several years, the DISC organization has provided grants to organizations that serve in a variety of ministries that possibly do not have financial resources that many of our local Dioceses or Parishes enjoy. Since grant program inception, several agencies, Diocesan offices, Catholic Charities and Mission organizations have been approved for small grant funding. Read about past recipients here: <http://www.discinfo.org/missiongrantprogram.html>

The DISC organization continues to benefit from profits through the partnerships we've built with technology suppliers and a percentage of the funds are designated for these grants. We, as members, have been given the opportunity to model our faith in the form of stewardship to those that are in need of financial assistance. This is a demonstration of our faith that we are all one, working to carry out the work of the church.

After your organization pays it's 2011 DISC membership fee of \$150, we encourage you to submit any Mission or Catholic organization in the National or International community that you feel would benefit from the 2011 grant. The grant application must be submitted through a DISC member and all applications need to be submitted between January 1 and April 22, 2011. **Learn more about DISC membership by visiting www.discinfo.org.**

Sincerely,

Dawn R Wolf, CNA, Security +, Network +, MCDST Director of Information Systems, Catholic Diocese of Sioux Falls
