## Exhibitors should know about...

### **1 DISC EXISTS TO HELP THE CATHOLIC CHURCH**

For over 26 years, DISC has been helping the Roman Catholic Church by maximizing the investment in information systems. Conference attendees are the decision makers generally responsible for strategic planning, budgeting, oversight and implementation of technology and communication systems for locations within their arch/diocese.

### **2 DISC IS BIGGER THAN THE CONFERENCE**

The 73 attendees from last year's conference represent:

Dioceses/Parishes/Schools:	8,175
Priests/Teachers:	70,978

However, North American constituents represent:

Dioceses/Parishes/Schools:	11,165
Priests/Teachers:	90,347

### **3 WE OFFER LOTS OF FACE TIME**

An important objective of this conference is to provide ample time and space for consultation between exhibitors and participants. Additionally, we encourage exhibitors to attend the welcome event, outing and closing festivities to meet attendees in a casual setting.

### **4 ALL THIS VALUE AND IT'S STILL AFFORDABLE**

The registration fee includes a large display area and internet access charge.

### **5 THE SCHEDULE IS SET**

Exhibitors are expected to attend the welcome event on the evening of May 31, 2011 for introductions. Your display area should be set up by 9 am on June 1. We ask that you do NOT break down your display area until after 1:00 on June 3.

### **6 SPONSORSHIP OPTIONS ARE AVAILABLE**

Want to put your company in front of more attendees? Consider one of our many sponsorship opportunities. Please read our Sponsorship Opportunities document which can be found here:

### **8 PRIZES ARE WELCOME**
